

## CLETUS VETTER

# MEMORIAL COLLEGE SCHOLARSHIP

*This scholarship is given in loving memory of Cletus Vetter, a man who leaves a legacy of love and respect to not only his family but to the many people he selflessly gave himself to. He was a lifelong farmer who loved to nurture the soil and watch his crops grow. Great soil and water conservationists are not developed through academics alone, rather they are nurtured throughout their education and career building by conservation advocates who have traveled on before them. This college scholarship is meant to bring back into focus the vital necessity and passion for resource conservation by encouraging college-bound students to consider a career in conservation, natural resources, agriculture or a related field. This award is supported by funds from the **Cletus Vetter Memorial College Scholarship Fund** through the Defiance Soil & Water Conservation District and administered by the Defiance Area Foundation which provides professional management of local endowments.*

The Defiance Soil & Water Conservation District (SWCD) will award one **\$1,000** college scholarship to a resident/student of Defiance County. The recipient must be enrolled as a full-time student at a two-year or four-year accredited college, university or technical school beginning in the **fall of 2022**. The scholarship will be payable directly to the college or university.

The deadline to apply is **March 31, 2022**. Return completed application, essay, two letters of recommendation and college/university acceptance notice to [dani@defianceareafoundation.org](mailto:dani@defianceareafoundation.org) or mail to Defiance Area Foundation, 613 West Third Street, Defiance Ohio 43512.
